Unica

ESSENZIALITA' MASSIMA.

Un design rivoluzionario che combina perfette proporzioni e forme pure. Una collezione elegante dalle linee minimali e dal design essenziale. I lavabi hanno spessori sottili e possono essere installati ad appoggio.

MAXIMUM ESSENTIALITY.

A revolutionary design that combines perfect proportions and pure shapes. An elegant collection with minimal and essential design. UNICA because there is not in the market a bathtub totally made in ceramics. The wash basins with the same design of the bathtub have thin edges and can be installed on countertop.
