Lavabo NUR 90x45 ad appoggio o sospeso

Una collezione volutamente avvenente.
Organica ma decisa, ricercata nei dettagli e
nelle esclusive finiture, avvolge e seduce.
Il suo inedito e sinuoso bacino, "sottosquadro",
ridefinisce e decanta il nobile materiale ceramico,
mirando a nuovi linguaggi visivi e forme ricercate.

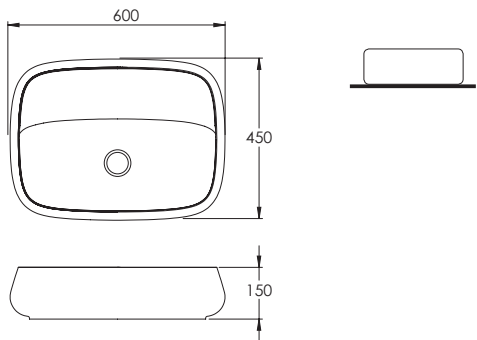

A deliberatetely charming collection. Organic but firm, sought-after in its details and unique finishing touches, it envelops and seduces. Its inedited and sinuous basin, "sottoquadro", redefines and praises the noble ceramic material, aiming towards new visual languages and sought-after shapes.

UNICA

ESSENZIALITA' MASSIMA.
Un design rivoluzionario che combina perfette proporzioni e forme pure. Una collezione elegante dalle linee minimali e dal design essenziale. I lavabi hanno spessori sottili e possono essere installati ad appoggio.

MAXIMUM ESSENTIALITY.
A revolutionary design that combines perfect proportions and pure shapes. An elegant collection with minimal and essential design. UNICA because there is not in the market a bathtube totally made in ceramics. The wash basins with the same design of the bathtube have thin edges and can be installed on countertop.
